Having over a decade of experience in building business at Adip Skill Services Pvt. Ltd, Mr. Ashwini Prasad Singh has extensive experience in identifying, recruiting, training and mentoring sales professionals to drive sales. He has completed various sales training programs and has over 10 years of experience in handling various sales training and mentoring programs.

## Our Purpose

Being a well-established service provider, we endeavour to bring out our expertise and leave an indelible mark in every industry that we serve. Despite the markets we indulge in, our ultimate purpose is to aid society and people in whichever way we could by maintaining supreme quality and standards.

Enlightened by the need for industry-trained personnel to adorn various roles in diverse industries, we realized that equipping them with relevant knowledge and skills would enable them to carry out their duties with ease. To impart the right skills at the right time is an indispensable step in training and hence, we strive to address the varying demands of industries by fortifying the abilities of candidates and deploying them to every field.

We also do not confine our services to particular individuals as we undertake manpower supply, for we consider it a great asset for an organization. By understanding the requirements of your organization, we recruit qualified and ideal professionals who hide great potential in them.

Striding towards sustainability, we aim to create our niche in the solar industry by facilitating the best and high-quality solar products. As an emerging contributor to this field, our underlying purpose is to support the developments as and when our talents guide us.

## Our Services

### Skill development and capacity building

Through our humble efforts to escalate the status of India as the skill capital of the world, we provide several formal and informal skill training and capacity building programs. With a vision to bolster the acumen of ambitious professionals, our training program covers a wide range of activities that would introduce them to a new set of skills, which inadvertently pave way for a greater purpose in their life.

As we offer quality training for the individuals, we have taken extra measures to integrate the expertise and knowledge of accomplished technical trainers. Having conducted a plethora of seminars and workshops across diverse industries, we have the right amount of expertise to guide you and help you in accomplishing your goals. It is a matter worthy of recognition that our skill training and development programs reach out to varying needs and cater to all aspects of life.

### Our Projects
